

For your Prayers, Information and Action

Thanks

- For all those people who put so much into organising and running events in our churches and communities. They do a wonderful job of growing community as they help people make new friendships and strengthen old ones.

Prayers for

- The family and friends of Olive Goodhead at her funeral last Friday at Oakley Wood.
- The work for the building restoration projects in Combroke, Ratley, Radway and Kineton. Please hold them in your prayers.

WEEKLY ENVIRONMENTAL HINT – With the summer arriving, think about having a little bag of reusable cutlery, straws, and other utensils you might need when you are at a BBQ or picnic or getting take-away food at a show or fete. This can reduce throwaway plastic which might end up in our seas or rivers. You can even add an extra foldable bag, or a collapsible cup to the collection. All are available from high street stores such as Lakeland or online stores from amazon to little individual companies. Greenpeace is running a petition to call on the government to slash the number of products still made from throwaway plastic <https://bit.ly/2Vtd5mm>
