HOME GROUP LEADERS TRAINING – A healthy small group should reflect the wider church in miniature. But we are often so busy leading that we don't have a chance to stop and reflect on where we are. This course is a chance to pause and reflect on the gifts, fellowship, faith and outreach of your group. We will be asking why each element is important, exploring how each impacts us personally and sharing practical ideas that you can take away and use with your group. If you are a small group leader, please contact Pete Ashton pete.h.ashton@btinternet.com for more information or to book onto the course.
